

INDUSTRIOUS OPERATIVES

Our well established Industrial Division has an excellent reputation for providing high quality, reliable and versatile temporary and permanent personnel. Our temps are so good that hundreds of them are recruited permanently by our clients every year – it's a measure of our success! 'Hassle free' solutions are the industrial team's speciality.

What our clients say:

"We have been using Hewett Recruitment for temporary and permanent staff for a number of years now and can only highly recommend their services. The team are always helpful and understand our requirements. They have consistently provided the right person for the positions we need to cover and always come back quickly with a name so that we are assured that there will be no gaps in our production. We have developed an excellent working relationship over the years and the team are a joy to work with. I have dealt with many agencies over the years with varied results and since I started using Hewett Recruitment I would never consider using another agency and would have no hesitation in recommending them." Quality & Training Manager – Plastics Industry

"We have been regularly using temporary workers supplied by the Industrial Division of Hewett Recruitment. During this time I cannot name a single occasion where I have been let down or disappointed in any way. The service we receive is first class in every aspect and they exceed my expectations on every level. They actively encouraged developing a relationship which is tailored to the needs of my company and they know what my needs are and fulfil them, even at short notice." Production Manager – Chemical Manufacturers

"We have worked with Hewett Recruitment for many years and continue to have a very good relationship. Hewett Recruitment regularly provide us with temporary labour, the majority being within the industrial sector. They ensure that the personnel being placed with us meet the standards required by our business. It is a proactive business and the staff conduct themselves in a professional manner. We would have no hesitation in recommending them to other employers." HR Manager – Food Manufacturers
